*NOTES ON SCHOOL-AGE RATES: The school-age rates shown above do not include kindergarten. Also they indicate the rates for school-age children during the school year and, for providers who use an hourly rate, are based on a 20-hour a week schedule. The rates for school-age children during the summer are approximately the same as for pre-school children.

PROVIDER DISCOUNTS: While some providers give discounts when caring for two or more children from the same family, these are not included in the calculations.

NA indicates no providers serve that age group in the county.

A ZERO RATE WITH A ZERO PERCENT indicates that there were provider(s) taking that age group but no rate was available or in the case of school age could also mean that no valid before and after-school rate was reported.
